

Walker Corporation

Addendum to the Walker Development Plan- Kew

Walker Corporation Pty Limited

NOVEMBER 2007

Foreword

This addendum (Volume 2) provides updated text and illustrations to parts of the existing Walker Development Plan - Kew which have been varied as a result of a revision to the location of the Recreation Centre within the Heritage Core. The report structure is consistent with the original approved document however only pages which require amendment have been included within this addendum.

Background

The Walker Development Plan was endorsed by the Minister for Planning on 9 March 2006. The Responsible Authority and the developer, Walker Corporation Pty Limited, have agreed to vary the Development Plan as set out in this addendum.

The variation to the Development Plan effected in this addendum will become effective and operational from the date the plan is endorsed by the Minister for Planning.

Agreed Terms - Variation to the
Development Plan

The Authority (DPGD) and the Developer (Walker Corporation Pty Limited) agree that:

- The Development Plan is varied only as set out in this addendum to include the variation of the location of the recreation centre only.

4.3 COMMUNITY FACILITIES AND SERVICES

4.3.1 Recreation Centre

The 'Framework Plan – The Vision' within the KRSUDF shows 'potential sports and recreational facilities' near the north boundary of the subject land. As outlined above, DHS requires particular facilities to be provided.

The WDP-K map proposes a recreation centre within the heritage core to the west of the site. The recreation centre will incorporate the following:

- A lap pool.
- A gymnasium.
- A kiosk / café.
- Consultation rooms for use by visiting health professionals.
- Space for community- based activities.
- A hydrotherapy pool to accommodate a minimum of five disabled users and their carers at any one time.

The proposed location will maximise public (including pedestrian) access to the facility principally from within the development and may encourage those from the surrounding residential area.

The recreation centre will have limited visual prominence being located within the heritage core area, which will assist with public appreciation of the sites heritage buildings.

Subject to stakeholder discussions and a more detailed assessment, possible ownership and management arrangements for the recreation centre are as follows.

- Public or private ownership and / or leased or sold to a commercial operator with social objectives included in the lease or sale arrangements.
- Body corporate, including KRS residents, ownership and management.

The WDP-K is characterized by...
 mainly residential land use...
 most of the significant heritage...
 and vegetation features...
 A recreation centre within the catchage of the...
 heritage core buildings to the west of the subject...
 land...

WALKER DEVELOPMENT PLAN-KEW MAP
 Modified 7 November 2007

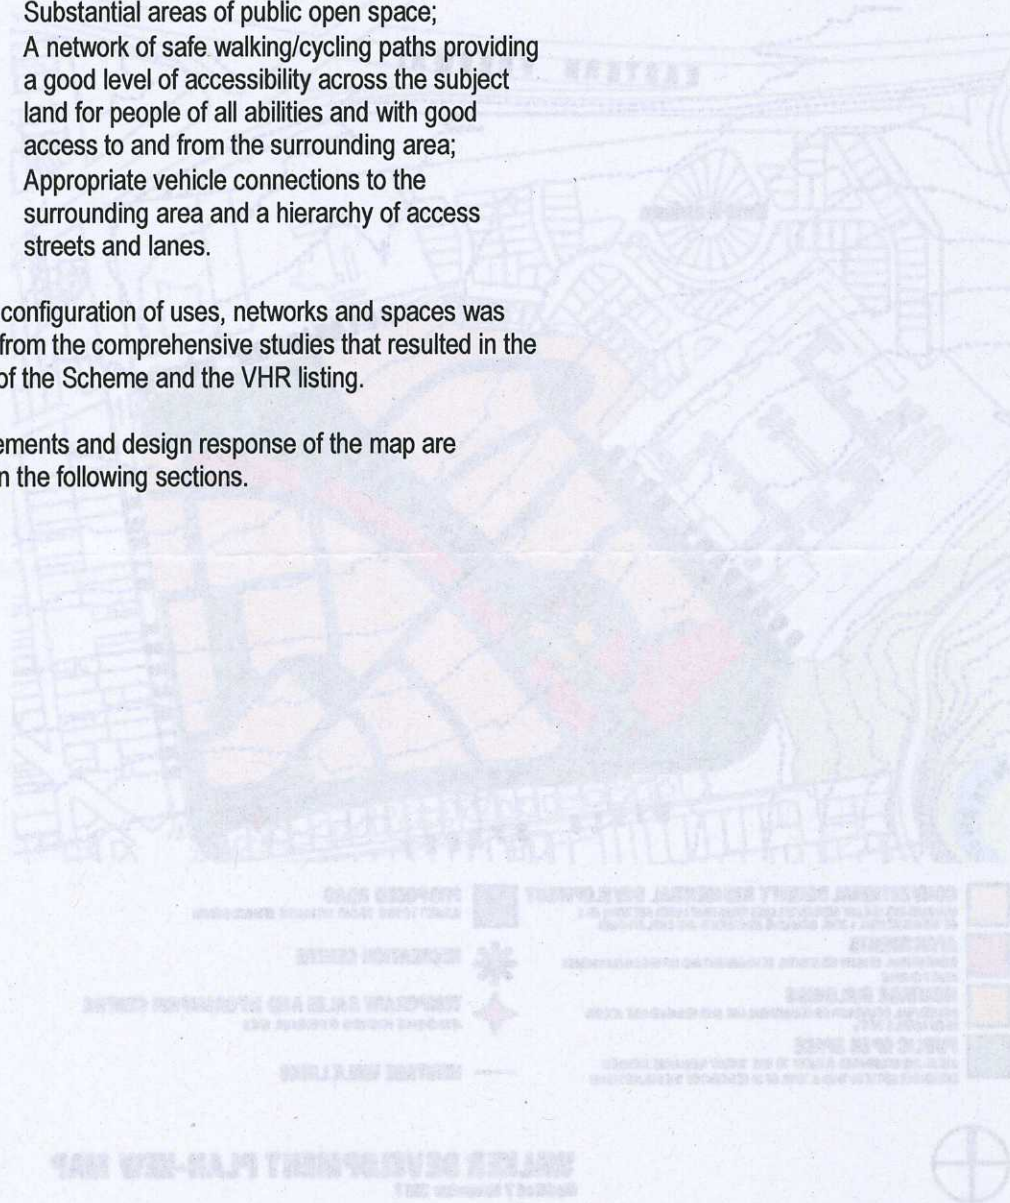

3 THE MAP DESCRIBED

The WDP-K map below is characterised by:

- Predominantly residential land use;
- The retention of most of the significant heritage items and vegetation features;
- A recreation centre within the cartilage of the heritage core buildings to the west of the subject land;
- Substantial areas of public open space;
- A network of safe walking/cycling paths providing a good level of accessibility across the subject land for people of all abilities and with good access to and from the surrounding area;
- Appropriate vehicle connections to the surrounding area and a hierarchy of access streets and lanes.

The above configuration of uses, networks and spaces was developed from the comprehensive studies that resulted in the provisions of the Scheme and the VHR listing.

The key elements and design response of the map are described in the following sections.

Foreword

This addendum (Volume 2) provides updated text and illustrations to parts of the existing Walker Development Plan – Kew which have been varied as a result of a revision to the location of the Recreation Centre within the Heritage Core. The report structure is consistent with the original approved document however only pages which require amendment have been included within this addendum.

Background

The Walker Development Plan was endorsed by the Minister for Planning on 9 March 2006.

The Responsible Authority and the developer "The Walker Corporation Pty Limited" have agreed to vary the Development Plan as set out in this addendum.

The variation to the Development Plan effected in this addendum will become effective and operational from the date the plan is endorsed by the Minister for Planning.

Agreed Terms- Variation to the Development Plan

The Authority (DPCD) and the Developer (Walker Corporation Pty Limited) agree that:

- The Development Plan is varied only as set out in this addendum to include the variation of the location of the recreation centre only.
