

KEY

-  Existing Tree
-  Proposed deciduous Tree
-  Proposed Pine
- Wn* *Wollemia nobilis*
(Wollemi Pine)
- Pm* *Pinus muricata*
(Bishops Pine)
- Aa* *Araucaria araucana*
(Monkey Puzzle)
-  Indigenous grasses
-  Bench seat
-  Gravel path
-  Existing building footprint

Note;
Any construction within root zones
will be managed with the advice of an
Arborist. Appropriate methods to
protect the health of the trees will be
taken including pile/post footings,
boardwalks or plastic grid structures
to reduce compaction below paving
or high impact areas. The methods
used will be selected with the
detailed design of the assets in
consultation with the Arborist.
